

Engarde Smart: A service to follow competitions from your smartphone.

1. What Engarde Smart shows

Access to EngardeSmart, see examples: <http://engarde-service.com/app.php>

Engarde Smart is under experimentation during May and June 2018.

Follow the path of a fencer

Engarde Smart enables following the path of a chosen fencer.

Engarde Smart displays the next match: opponent, time and piste.

The path of ACHARD Norman

Next match : 14:30 - Piste 2 - Tableau de 64 - Against SOUCHIER Serge EST

Engarde Smart also displays the path of the fencers and their rankings:

Poule 19 9:30 Piste 3, Referee: VEZILIER Angelo

PELLIER François.			1	4	2	4	V
LAURENT Martin		V		2	2	4	V
BASTIAN Gerald		V	V		V	4	2
PERRET Leonid		V	V	3		V	2
CATHALA Ignacio		V	V	V	1		3
ACHARD Norman		2	3	V	V	V	

Ranking of round 1

47)	ACHARD Norman		0.600	3	20	Qualified
-----	----------------------	--	--------------	----------	-----------	------------------

Tableau préliminaire de 128

31) **ACHARD Norman**

98) ----

ACHARD Norman

ACHARD Norman 15/13

95) ----

LHOPITAL Philip.

34) LHOPITAL Philip.

Follow your favorite fencers, countries and clubs

Engarde Smart offers a function to manage favorites.

Favorites can be fencers, countries and clubs.

Favorites are marked with 4 distinct colors in all the Engarde Smart pages.

AGNIEL Anzor			
AGUILAR Marno			
ALAIZE Albert			
ALIBERT Constan.			
ALLIGNOL Jacque.			

EST		2	
FIN		1	
FRA		4	
GBR		3	
GEO		3	
GER		1	
HUN		1	

The results can be filtered so that only the results of the selected favorite appear.

Selection:

Poule 8 8:30 Piste 8, Referee: VIGNERON Tobias

LAREDO Francois			V	V	V	V	V	V
PASERO Cyril		2		3	V	V	4	3
DANIEL Theodore		4	V		3	4	V	3
PLANTIER Floria.		2	1	V		V	V	V
PEYROT David		3	4	V	3		4	V
OGIER Claus		3	V	2	4	V		V
GUERIN Jordan		2	V	V	2	4	3	

Engarde Smart becomes the essential tool to follow a fencing competition in an efficient and personalized way.

2. Providing data to Engarde Smart

To provide data to Engarde Smart:

- use version 10.044 of Engarde or later,
- declare your competition on Engarde Service: <http://engarde-service.com>
- open the http parameters of Engarde (Web menu) and connect to the competition

HTTP upload of html files

engarde-service.com
 Organizer Website

Organism	Password	Event	Competition	Connection
mon-club	*****	mon-eve	cc1	

This allows sending HTML files to the engarde-service site and automatic sending of Engarde Smart data.
