

Updating period of the competition on engarde-service.com

By default, the update period of Engarde Smart and engarde-service is 3 minutes for the athletes and the audience and 15s for the referees.

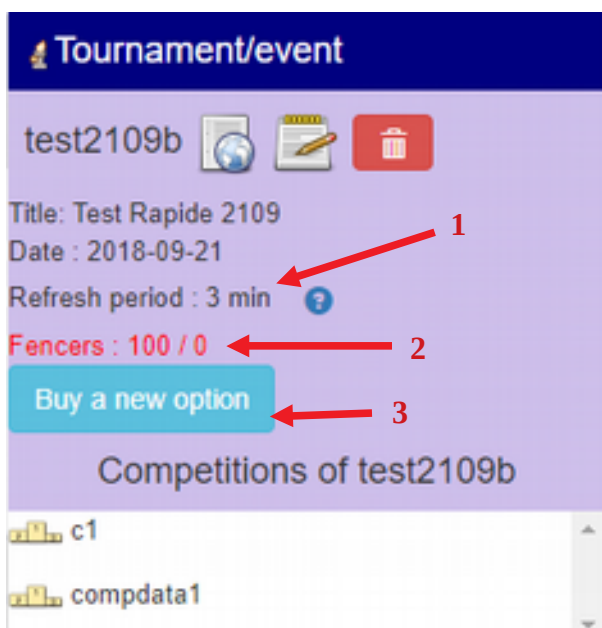

There are optional plans for 1 min or 15s updating period, from 14,40€ , depending on the duration and on the number of fencers.

In your engarde-service.com account, select a tournament.

In the tournament details there is the updating period (1).

Below is indicated the number of fencers available according the current options (2)

Then a buton leading to the online shop where you can buy a new updating period option (3)

There are two option for the period: 1 minute et 15 seconds

There are three options for the number of fencers: 100, 200, 500.

The number of fencers is the sum for the whole tournament i (sum or all the fencers of all the competitions of the tournament).

Until November 15, plans have a -50 % discount.

If you need a specific plan, whether updating period or number of fencers, please contact us.
